Welcome! We are excited to share information about our classes and the projects your student is currently working on or will be in the near future. Please don't hesitate to ask questions!

Reminder: If you are interested in attending **Parent-Teacher Conferences**, in October, please don't forget to sign up tonight at the tables upstairs in front of our office window.

Parent-Teacher Conferences are not mandatory and we encourage you to not wait if you have questions or feel the need to meet with a teacher. Instead, we hope you will contact us immediately so we can answer your questions or discuss any issues that may arise.

****Tonight is not for individual conferences. If you have a need to meet with a teacher, please contact them after tonight to set up a meeting.*
