

Jump Rope

A Better Way to Communicate Grades

Session Objectives

1. We will discuss what Jump Rope is and how it will be used at iTech
2. We will discuss WHY we are switching.
3. We will discuss how you will access student grade information.

**This is NOT a new
grading system.**

What is Jump Rope?

- **Grade Reporting Tool.**
- **Where you will check you student's progress and grades 2nd semester.**
- **Replacement for Skyward.**

Why Jump Rope?

- **Problems with Skyward and our system**
- **Will allow student and parents to better understand standard scores and overall grade**
- **Communication and Support-use of assessment data**

Finally...

A true standards-based gradebook.

JumpRope is more than a software company. We're experts in the practical implementation of standards-based grading and can help you every step of the way.
